COMMENTS

Opelika Broadcasting Company ("OBC"), by its counsel, hereby submits its Comments in response to the Commission's Notice of Proposed Rule Making ("NPRM"), released March 4, 2005, DA 05-580, proposing to amend the FM Table of Allotments by adding Channel 232A at Opelika, Alabama.

1. The NPRM was released in response to OBC's Petition for Rule Making ("Petition") proposing the allotment of Channel 232A to Opelika. To accommodate the allotment of Channel 232A to Opelika, the license for Station WSTR(FM) had to be reclassified from a full Class C to a Class C0. The licensee was advised of, and interposed no objection to, the reclassification of the WSTR(FM) license to Class C0. The new allotment will be the second local FM transmission service to Opelika.

2. OBC hereby states that if the Commission approves the requested allotment of Channel 232A to Opelika, Alabama, OBC will submit an application for a construction permit specifying a transmitter site which provides principal community coverage to Opelika and, if its

application is granted, construct the facility.

WHEREFORE, OBC respectfully requests that the Commission grant its Petition and allot Channel 232A to Opelika, Alabama.

Respectfully submitted,

OPELIKA BROADCASTING COMPANY
